5 Simple Steps

Follow these 5 steps, and you'll be on your way to convenient, money-saving checking. We have included the forms you need. We'll even help you fill them out if you like! Just stop by MidUSA Credit Union™ for friendly personal assistance.

1. OPEN your new MidUSA account.

Complete a new account application online at www.midusacu.org or visit any of our convenient locations listed on the front of this brochure.

2. STOP using your old checking account.

You will need to let all your outstanding checks clear before closing the account. This could take 10 days or more.

3. SWITCH your Direct Deposit.

Send the "Direct Deposit Switch Form" to your employer, the Social Security Administration or your retirement plan administrator. You may make additional copies if needed.

4. CHANGE any automatic payments.

The enclosed checklist will help you make sure you don't miss anything! To change your automatic deductions, use the "Automatic Withdrawal Change Form", making additional copies if necessary.

5. CLOSE your old account.

When you have finished steps 1 through 4, simply submit the "Please Close My Account" form to your financial institution. Or give it to us and we will handle the details for you. If there is a balance, we will transfer it to your new account.
